La Togata

Our Wines are born from a deep Love for the Terroir of Montalcino. It is here that everything began: among the Vineyards kissed by the Sun and the Wind that carries with it the Scent of the Earth, the Brunello di Montalcino and the Rosso di Montalcino La Togata were born, together with the precious Togata dei Togati. From there, our Dream expanded, taking new forms with the brands Carillon and Jacopvs.

Then came the moment to go further, with two Supertuscans with strong Character: Azzurreta and Barengo. Two important, tannic Wines, born of the same Passion but with very different Personalities – like Brothers choosing different Paths. A few years ago, our Journey brought us to Friuli. Here, in a generous and authentic Land, La Togata Flute Millesimato was born: a fine and persistent Sparkling Wine, perfect to accompany you from the Aperitif to the final Toast of the Evening.

And today, still in Friuli – Venezia Giulia, the La Togata brand continues to grow: three White Wines – Chardonnay, Ribolla Gialla, and Sauvignon – that frame, with Freshness and Harmony, a Story that began many years ago in Montalcino, and keeps evolving, Harvest after Harvest.
